

# Student Sign-Up Guide

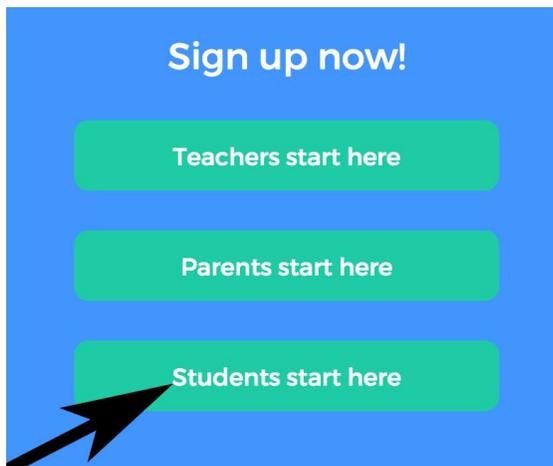

Go to [LearnStorm2016.org](http://LearnStorm2016.org)

Click the "Join us!" button

Click "Students start here"

If you have a Khan Academy account, just log in. If you don't, then you can create one by using Google or Facebook or by typing in your email address.

Ask your teacher if your school uses Google Apps for Education. If so, then create an account by clicking on the Google button.

Already have an account? [Log in.](#)

Click on the place where you live.

Select your LearnStorm region!

[← Back](#)

**Tell us about yourself!**

Tell us what grade you're in, and check the box if you're homeschooled.

GRADE LEVEL

Select your level × ▾

I'm homeschooled

Next

If you are not homeschooled, type in your city name in the first box, and then click on the second box to find your school. You can type or scroll through the options.

[My school isn't listed](#)

If you don't have a coach already connected to your account, you should add one. Ask your teachers if they use Khan Academy, and they can give you their email address or a class code to type in.

[← Back](#)

### Add a LearnStorm coach

In order to receive any prizes you may win, you must be connected to an adult coach account who can receive them for you.

Coaches have access to all of your Khan Academy data.  
Your student id is davidkong+s1@khanacademy.org

**Add a coach**

Enter a class code or your coach/teacher's email address:

 [Join the class](#)

**Add your parent**

Enter your parent's email address:

 [Add your parent](#)

If you already have a coach, you can make them your LearnStorm coach by clicking the green button.

### Your coaches
